

Diabetes Awareness

The NS Sisterhood Health Awareness Talk Virtual Learning Series

In recognition of Diabetes Awareness Month, the Nova Scotia Sisterhood is hosting a virtual talk centered around Black women and diabetes.

- Join a Registered Nurse and Certified Diabetes Educator, to discuss:
- What is diabetes?
- The difference between type 1, type 2, gestational and prediabetes
- Signs and symptoms of diabetes and risk factors
- Diabetes management

Tuesday, November 26th, 2024
5:30pm AST
